PARKING

We have **1 private car park** at your disposal, we will show you where they are located.

In the town, the parking lots marked with white stripes are free or timed (signposted), while the parking lots with blue stripes are to be paid.

The **OMEGNA MARKET** takes place on THURSDAY MORNING on the lakefront: WE RECOMMEND YOU **NOT TO PARK** YOUR CAR IN THE PUBLIC CAR PARKS ON THE LAKE ON **WEDNESDAY NIGHT AND THURSDAY MORNING**, as they would be removed.

It is not possible to park in the parking spaces located near the structure marked with **RESERVED** as they belong to the houses close to us.

In case of need, or for any problem and information, do not hesitate to contact us via the WhatsApp contact provided to allow us to help you quickly.

Thank you very much and enjoy your stay.
